PRÓ-REITORIA DE PESQUISA E PÓS-GRADUAÇÃO
PROGRAMA DE PÓS-GRADUAÇÃO EM CIÊNCIA DO SOLO

Information on the Minutes of meetings

The regular meetings of the Programa de Pós-Graduação em Ciência do Solo are monthly for the Coordination and semiannually for the Collegiate. Extraordinary meeting(s) is(are) scheduled whenever there is demand(s) that require urgency for analysis and deliberation.

As for the Coordination meetings, there is a fixed calendar defined for the period of one year (<http://www.ppgsolos.ufc.br/index.php/pt/2015-06-09-18-58-49/coordenacao>). The meetings are analyzed:

1. Requests for approval by examining boards of thesis projects, qualification exams and defenses of dissertations and thesis;
2. Requests for approval of study plans and use of credits in disciplines and other academic curricular activities;
3. Requests for extension of deadlines for completion of the master's/doctorate degree course;
4. Distribution of PROAP-CAPES resources to Program professors/students; and
5. Other demands whose analysis is the responsibility of the Program Coordination.

Regarding the Collegiate meetings, the following are analyzed:

1. Coorientation approval requests;
2. The offer of disciplines for academic semesters;
3. Professors' accreditations and disaccreditations;
4. The selection process edicts; and
5. Other demands whose analysis is the responsibility of the Collegiate Program.

For each meeting, there is a record of the agenda(s) and an account of the discussions and deliberations regarding the demands. The Minutes are filed at the Program Secretariat and are available for consultation by those with rights. The following are the meetings, with the respective guidelines, for the period 2021-current.
